

CALL FOR PAPERS: INNOVATION AND ENTREPRENEURSHIP

Guest Editor: Rathindra DasGupta

Technology and Innovation (T&I) is currently soliciting manuscripts for a special issue on innovation and entrepreneurship.

For this special issue, we are interested in receiving articles and reviews addressing topics associated with innovation and entrepreneurship. Relevant topics include but are not limited to:

- Opportunities to accelerate innovation research
- Follow-on funding mechanisms after start-up creations
- Collaboration/Partnerships to accelerate innovation
- Developing entrepreneurial curricula
- Licensing activities
- Student involvement in innovation/entrepreneurship activities

Initial manuscripts should be submitted by September 1, 2016. Instructions for authors, including manuscript formatting information and author forms, can be found at: <http://academyofinventors.org/ti/resources.asp>.

T&I is published by the National Academy of Inventors and presents information encompassing the entire field of applied sciences, with a focus on transformative technology and academic innovation, and welcomes manuscripts that meet the general criteria of significance and scientific excellence. We publish original articles in basic and applied research, critical reviews, surveys, opinions, commentaries, essays, and patent and book reviews of interest to our readers.

If you have questions or would like to submit a manuscript, please contact the guest editor, Rathindra DasGupta, at babu.dasgupta@gmail.com or the assistant editor of *T&I*, Kimberly Macuare, at kmacuare@academyofinventors.org.
